## DECLARATION.

~~Initiationis.~~ Initiationis.

Considering that, on August 14th. of 1934, the delegates of various Initiation Orders and Societies decided to create an Universal Federation of Initiation Orders and Societies (F. U. D. O. S. I.);

Considering that said Federation had an helpful activity, grouped some isolated Initiation movements, exposed some impostors of the Initiation domain and organised the international Initiation work;

Considering that the Federation granted to each one of its affiliated members complete independence with regard to its administrative and doctrinal work;

Considering that it appeared, in the long run, and particularly at a recent date, that some of the affiliated Orders were teaching different doctrines in the same country (for instance: for, or against cremation); that their conceptions of true Initiation and its secrecy appeared contradictory to, or incompatible with, each other; that it is impossible to conciliate these conceptions and avoid doctrinal or historical debates between the Orders;

Considering that, in the higher interest of Initiation, it is not desirable to bring these disagreements before public opinion which is incompetent in such matters or to transform the Federation into a Law-Court of Initiation; that it is preferable to admit loyally and in a friendly manner that it is impossible to unify or harmonise opposite teachings, the representative of the Orders who freely created the Federation in Brussels, in 1934, decide to freely dissolve it now;

### FOR THESE REASONS:

It is unanimously decided that:

- 1.-The FUDOSI is dissolved on this day, 14th. of August 1951;
- 2.-Each and every one of the affiliated movements will maintain its initiation autonomy and independence, without being bound in whatsoever manner to the other Orders;
- 3.-None of the Orders previously affiliated to the FUDOSI will be allowed to reconstitute it without a written agreement signed by the Orders' members, or may take advantage of it in the future;
- 4.-The present declaration will be published by the various Orders in their own publications without any commentary. - Brussels, the 14th. of August 1951
